Objective: As a motivated student studying full stack web development, I am eager to secure an opportunity that will allow me to apply and enhance my skills in a real-world setting. I am excited to contribute to a dynamic team, learn from experienced professionals, and actively contribute to the development of innovative web solutions.

Education:

- June 2023 – December 2023. Arizona State University Enrolled in a Full-stack web development bootcamp.
- August 2020 – April 2023. Arizona State University, Graphic Information Technology (Full-Stack Web Development).
- May 2020. Graduated from Vanguard High School, New York, NY.

Sills:

- Advanced in HTML
- Advanced in CSS
- Understand JavaScript
- Understand GitHub and GitBash

Work Experience:

- November 2023 – Present, Chili's Host, Irvine, CA
- September 2023 - October 2023, Starbucks Barista at Target, Chino Hills, CA
- May 2022 - August 2022, Host and Busser at Swami's Café, Escondido CA

Other interests and information:

- Martial arts, volleyball, biking, digital art, coding, and videogames.
- Living and going to school in California, Chicago, New York, and Arizona, has made me particularly adaptable to new environments and able to collaborate with everyone.
- I am hard-working, dependable, and like to learn new skills.
